About Us

Caits born in 2013 amidst the vibrant landscape of Cochin, India, has proudly transformed into a prominent technology provider with a dedicated focus on Elevating ELV (Extra-Low Voltage) Services. We have forged an indomitable reputation across India & UAE by relentlessly pursuing excellence in this specialized field.

Our Foundation

Our Vision

Deliver cutting-edge ELV, High Voltage and security solutions that exceed client expectations, enhancing safety and trust.

Our Mission

Lead globally in innovative, reliable ELV and security services for a safer, connected world.

Our Values

Rooted in Innovation, Committed to Excellence, and Driven by Integrity to create transformative technology solutions for our clients.

Founder's Message

We are committed to consistently delivering excellence in everything we do, from our products to our services. We embrace customer feedback, continually improve our processes, and ensure every team member is dedicated to upholding this standard. Quality isn't just a goal, it's our way of doing business.

CAITS Annual Maintenance Contract

At CAITS, we believe reliable systems are the backbone of any modern organization. Our Annual Maintenance Contract (AMC) is designed to give businesses complete peace of mind by ensuring that mission-critical infrastructure remains up-to-date, secure, and fully functional. With decades of expertise and a track record across India and the UAE, CAITS offers proactive monitoring, timely support, and dedicated service that minimizes downtime and maximizes efficiency. Whether it's safeguarding your IT backbone or maintaining advanced automation.

Our AMC solutions are tailored to deliver uninterrupted performance.

For Ongoing Network Infrastructure	For Computer Peripherals	For Servers & . IT Related Products
